

## How to Add, Edit and Delete a Favorite on Firefox

## How to Add a Favorite on Firefox

1. From your desktop, open Firefox by clicking the Firefox icon.

2. Once the browser is open, go to the URL address bar and type in <u>www.stellarmls.com</u> and hit enter.

3. Click the star at the end of the URL address bar. It will turn blue when the page is bookmarked and a window will drop down. This is where you can edit the name, select the location of, or tag your bookmark.
