

# HOW TO ACCESS DATA FROM THE MLS GRID

## VENDOR ACCESS GUIDE

The MLS Grid provides a single, standardized API data feed from participating MLSs to registered software vendors. Follow the steps below to create your vendor account and sign a data license agreement between the brokerages you work with, My Florida Regional MLS and your company.

### 1. REGISTER ONLINE

- a. Go to [app.mlsgrid.com/register](https://app.mlsgrid.com/register) to create your vendor account
- b. Fill-in the required information, including contact information for the person that will be executing the data license on behalf of your company

### 2. FINALIZE ACCOUNT AND START SUBSCRIPTION

- a. MLS Grid will send an email to finalize the setup of your account
- b. Select Subscriptions to setup your data subscription, provide product details, select MLS and sign the IDX Master Data License Agreement

### 3. ADD BROKERAGE & MLSs

- a. In your online account, enter the contact information for your broker customers and select their MLSs
- b. The MLS Grid will email a link to the data license agreement between your broker customers and My Florida Regional MLS.

### 4. BEGIN USING THE API

- a. You will be given access to generate an API token/key
